Dear Parent

Following the information received this afternoon from the Minister for Education for Wales, our school will close on Friday 20th March at 3pm to students. Learning for students from that time onwards, to the calendared Easter Break, will continue through digital learning. Please see the website for information on 'Digital Learning'.

Students have been asked to take their books home with them and bring, for the next two days, the books they require. Students who have already self-isolated may ask friends to collect books for them if they can and leave them outside the door of the home for those students.

We as a school will be receiving further updates on a daily basis about a range of matters, including examinations, as well as supporting the community. Please look at the information on our website regularly.

Thank you.
