

Dear Parent/Guardian/Carer

My name is Mark Foster and I am writing to advise you that I am your Disability Sport Wales Development Officer for Monmouthshire. My role is to promote and develop Disability and Inclusive Sport & Activity for children identified with additional needs. These can include Autism, Cerebral Palsy, Learning Disabilities, Physical Disabilities and Wheelchair Users.

One of the aims of the sports development team is to support your child to build their confidence, develop transferable skills and make new friends. We are able to work in partnership with your child's school and local sport and community clubs to support them to offer inclusive and/or disability specific opportunities for your child to enjoy.

We are based within in Monmouthshire Leisure Services where your child is entitled to discounted rates at our four leisure centres through our Passport to Leisure (PTL) Scheme if you are in receipt of the eligible benefits.

We are here to help your child release their potential and support them on their sporting pathway in both school and the community and will keep you updated on the latest events, opportunities and if they wish competitions across Monmouthshire, Gwent, Wales and the UK.

If you are interested in your child having access to the scheme then could you complete and return the information below on your child so that they are supported to achieve their full potential. If you have any further queries I can be contacted on my email address or telephone number:- markfoster@monmouthshire.gov.uk or 01633 644558

Many Thanks

Mark Foster,

Sports Development, Abergavenny Leisure Centre, Monmouthshire, NP7 6EP.
