

Course Name**National Curriculum Physical Education****Why would I want to study this course?**

The PE curriculum is designed to build on learning from Key Stage 3.

This course is statutory and allows students to study sports and activities in more depth.

It provides a good foundation for learners in post-16 education and lifelong learning.

What qualification does the course lead to?

This qualification can lead to a full GCSE or a GCSE Short Course which is half a GCSE

What will I study?

There are four areas of experience to chosen from, two different areas of experience must be followed

- COMPETITIVE (including Games, Swimming, Athletics, Gymnastics)
- CREATIVE
- ADVENTUROUS
- HEALTH, FITNESS & WELLBEING

How will I learn?

The course is practically based.

Students take responsibility for their own learning and develop their own curriculum.

How will I be assessed?

There is no formal assessment, unless the student wants to be entered for a BTEC Level 2 Certificate qualification.
