

Year 8 Science – End of year assessment resource

Year 8 will be sitting their end of year Science assessment on April 28th. This exam will be testing their knowledge, understanding and application of the concepts covered in the KS3 course. Below is a key website which will support the students in their exam preparation.

BBCBitesize – KS3

<http://www.bbc.co.uk/education/subjects/zng4d2p>

Within each science there are revision pages, tests and activities. There are also some class clips visualising key concepts.
