

Launching the MCS Sixth Form Application Process for September 2021!

In November, Year 11 watched a presentation on their future pathways options and how to make informed decisions. Due to the recent move to distance learning, we are launching our Sixth Form prospectus and application process for September 2021 digitally.

We would like all of our Year 11 students to watch the following introductory video from the Director of Sixth Form Studies at MCS, outlining the Sixth Form curriculum offer and why students choose MCS for their next pathway:

So that the school can start planning for next year, we would like to know which subjects Year 11 students are **likely** to choose when they get to choose Sixth Form courses later in February. All students will follow the Welsh Baccalaureate Advanced Skills Challenge Certificate, in addition to a minimum of three additional Level 3 courses.

To help us accommodate as many combinations of student course preferences as possible, please click here to complete the electronic **Provisional Choice form 2021/ 22. Deadline for submission is Friday 25th January:**

Our Virtual Open Day goes live on Thursday 21st January. Please visit our Sixth Form Open Evening microsite to explore departments and access talks from Course Leaders and students.

Provisional Choice Forms to be completed by Friday 25 January.

These are not your final course options. Year 11 will make their final option choices later in February.
