**6<sup>th</sup> Form Core Programme**

Entry requirements: 6 A\* - C grades at GCSE (Level 2) to include English or Maths. Equivalent qualifications for students from England: 6 GCSE qualifications at Grade 4 or above, to include English or Maths.

**CORE**

*All students will study The Advanced Skills Challenge Certificate within the Welsh Baccalaureate.*

**GCE AS/A2 Levels & BTEC National Qualifications**

**Please note course availability is subject to student numbers. Please check the school's website for all up to date information and amendments.**

- Indicate a **minimum** of three options and a maximum of five in total, from the table below.
- You **must rank the subjects in order of preference** with 1 being the subject you are most likely to take in Y12 and 5 being least likely, by placing the appropriate number in the box to the right of the subject. Using this process, we endeavour to ensure that all students are able to access their first three choices.
- Students may also consider combining BTEC National qualifications with each other, or with A Level subjects.
- The majority of students will study 3 AS Levels, or the equivalent BTEC, or a combination of these along with the Welsh Baccalaureate qualification. Course option blocks will be available during February.
