

MCS Sixth Form Y12 Option Choices and Destination Form, for September 2021.
Published Thursday 11th February

Due to the recent move to distance learning, we are completing our Sixth Form application process for September 2021 digitally.

Apply:

Thank you to everyone who submitted their provisional Choices Form in January. We have used these responses to plan the curriculum blocks for Year 12 study in September, to accommodate as many combinations of course choices as possible. This year we are pleased that we have been able to meet over 95% of individual combinations.

We would now like **Year 11 to make their FIRM course choices** for September 2021 entry. Students will follow the Welsh Bacalaureate Advanced Skills Challenge Certificate, in addition to a minimum of 3 additional Level 3 courses.

Please [click here](#) to complete the electronic **Year 12 Option Choice and Destination Form** for September 2021 to record your choices or to inform us of your next steps to college, apprenticeships or training.

All Year 11's should submit the electronic Year 12 Option Choices and Destination Form by Friday 5th March.

How do I choose my FIRM courses?

Click [HERE](#) to access the MCS Sixth Form Virtual Open Day microsite.

Please visit our Sixth Form Open Evening microsite to explore departments, hear from students and access talks from Course Leaders. You can tour the site and watch the Faculty and Course videos outlining the sixth form curriculum offer and why students choose MCS for their next pathway.

Parents and students can click here to access our [Sixth Form Prospectus 2021/ 22](#) for further information about MCS sixth form.
