

GLOBAL UP this summer!

The world is getting smaller and effective intercultural communication is key.

This summer, we are offering students in Monmouth the opportunity to follow a blended learning programme to develop tangible global skills essential to live, work and make a real social impact around the world.

The **Global Up** programme will include an online, video-based course, including forum discussions and quiz questions; four online group discussion sessions with a facilitator; a week of face-to-face workshops and activities in Monmouth (plus trips); interaction with international students studying English in Monmouth and the Global Competence Certificate from AFS Intercultural Programs.

Covering topics such as empathy, communication styles and inequality in the online course and reflection sessions, with a focus on the Sustainable Development Goals for the workshops, the programme is engaging, thought-provoking, interactive and fun!

- The programme will be led by AFS Qualified Facilitators in a collaboration between Celtic English Academy, who run a summer school in Monmouth, and AFS Intercultural Programs, who developed the online course and workshops.
- The programme is suitable for 14 to 18 year olds.
- The cost is £250, which includes everything mentioned above, plus lunches.
- The online course will be done in July, with weekly discussion sessions on Zoom.
- The week in Monmouth will be Monday 12th to Friday 16th August, with workshops on four mornings, activities/trips on four afternoons and one day trip to Bath.
- The workshops will take place at Monmouth School for Boys.
- The activities and trips will be together with international students from the summer school.

To sign up for the Global Up programme, or for more information, please email Joanna - joanna.s@celticenglish.co.uk.
