Dear Parent

The Mathematics Faculty are delighted to offer the opportunity for students currently in Year 10 to visit Paris next academic year (2025-2026) to enhance their appreciation of mathematics in the real world. The trip will depart on Friday 13th February and return on Monday 16th February 2026, during half term. Students will discover the beauty of mathematics through a wide range of enrichment activities. They will visit Disneyland Paris and have a day to explore the city of Paris, viewing the architecture and engineering of the city's key landmarks including the Arc de Triomphe, The Louvre and a visit the Eiffel Tower. This trip will have many cross-curricular links with various other subjects.

Based on 90 students the cost of the visit is £635.00. The cost includes executive coach travel to Paris, 3 night's accommodation at a Disney partner hotel on a half board basis, entrance to both Disneyland parks, the Eiffel Tower, the Louvre and Arc De Triomphe. Insurance and a personalised hoodie will also be included. It does not however, include pocket money, lunches or meals en route. **ALL students will require their own passport with at least 6 months left after the date of return.**

Due to the nature of the trip, only students with a very good track record of behaviour will be permitted to attend. We reserve the right to refuse a place to any student with a poor record of co-operation and following instructions.

Securing a place:

To secure a space for your child, you will need to complete an 'expression of interest' Google form by clicking on the following link <https://forms.gle/yw45bNUpVsRHP38K9> before midday on Wednesday 15th January 2025.
